

**I find myself saying this prayer each night as I watch the financial news so I thought I would share it with my friends who sell equipment.**

*“Lord, grant me the Serenity to accept the things I cannot change;*

*The Courage to change the things I can;*

*And the Wisdom to know the difference!”*

**Wisdom** : It means recognizing that which you have control over and only **You** have control over every equipment quote that you prepare for your prospects. If you don't offer a monthly lease payment option on each and every quote you prepare, you are missing a huge opportunity to help your prospect become your customer!

I encourage you to call or email us and let us help you offer this easy leasing option.
